

Courtesy Cart Service is available to disabled guests plus (1) companion and/or (1) service animal only from the main disabled parking area of Lot 59 (North of Mountain America Stadium and South of Rio Salado Parkway) shaded in **BLUE** which will run to the NW & SE Gates of Mountain America Stadium (MAS). All ceremonies in MAS are general admission seating so you should enter whichever gate is closest to your parking location. Courtesy carts will only drive on the designated color routes clearly marked with the **BLACK** and **PINK** dots on the above map. Courtesy Cart Service will be available beginning 60 mins prior to gates opening and end approx. one (1) hour after the event has ended. Shuttle Stop F is ONLY open for Mountain America Stadium events.

A high volume of pedestrian traffic is expected for all events around these facilities, pre and post event, so the Courtesy Cart Service may experience delays. We appreciate your patience and understanding with this FREE amenity.
